Hi Wienke,  
I blocked off 2:00 to 3:00 on Nesamani, Austin, and my calendars for tomorrow 7/24. Will that work?  
Thanks,  
Carol

Hi Carol and Nesamani,

As I mentioned to you, Carol, when I saw you last Thursday, we'd like to have a call to discuss two issues related to the transportation conformity budgets in the Ventura 2008 ozone plan: (1) whether you need limited approval of the budgets and (2) the rounding issue with the budgets. We would be looking for a clarification letter something like the one you prepared for the Imperial ozone plan action (see attached).

We're available during the following times; I think 30 minutes should be sufficient. (If these times don't work, I'll look for a few others).

Wednesday 7/24: 1-3:30  
Thursday 7/25: 2-4:30

Once we figure out a time, I can get a call in number and will send out the invite.

Thanks much -  
Wienke
